## Announcement

---

The success of the sales that have been held under this management at Webster City has attracted many breeders who desire to sell their surplus Shorthorns in this market. More than twice as many cattle were offered for this sale as the number cataloged. This has enabled us to select good ones and the cattle to be sold are all creditable specimens of the breed and many of them are quite outstanding.

A study of the catalog will show that there are a few exceptionally valuable tried sires in the offering. These have been consigned because the breeders from whose herds they have come are keeping the heifers that were sired by these bulls and their herds are not large enough to justify the retention of more than one herd bull.

Some of the consignors are among America's most noted breeders. All of the consignments consist of well bred cattle, sired by bulls that are recognized as the leading sires of their time or by some of the best sons of such bulls.

This sale provides an opportunity to buy bulls that will improve the breed and females upon which to found successful herds or with which to add desirable families to herds already in operation.

The pedigrees in this catalog are attractive. You will not be disappointed in the cattle that are represented by these pedigrees. We invite you to attend the sale if you are interested in first class cattle.
